

Closure of Town Playscapes

Effective April 3, 2020

Upon recommendation from the North Central District Health Department, the Town of Enfield has closed all of its 28 playscapes throughout town. All other parks and athletic fields and public areas will remain open.

Please abide by the Governor's orders to keep to **a maximum of five** when congregating while maintaining a distance of **six feet apart**.

Variable message signs will be placed throughout town as part of the social distancing reminder campaign.
